

# Winter perennials

for Auckland

1

## *Bulbinella nutans*

- bright poker-like flowers
- easy care
- full sun

2

## *Clivia gardenii*

- prefers dry, shade
- clump forming habit

3

## Wallflower

### *Erysimum*

- long flowering
- attracts butterflies

4

## *Helleborus orientalis*

- prefers partial shade
- ground cover habit

These Star Performers are plants of proven excellence in suitable conditions in Auckland. Winter perennials can be used to add colour to your garden when there is little else flowering.

### ***Kniphofia 'Winter Cheer'***

- good border plant
- semi-deciduous
- full sun

### ***Primula vulgaris***

- masses of flowers
- full sun

### ***Selago thunbergii***

- masses of flowers from late winter
- full sun

### **Mexican marigold *Tagetes lemmonii***

- masses of bright daises
- full sun

---

## **Recipe for success:**

- Select a site with free draining soil
- Planting in autumn or spring is recommended
- Allow sufficient distance between plants to enable their natural form at maturity
- Apply general fertiliser and organic mulch in spring
- Deadhead regularly to prolong floral display
