These Star Performers are plants of proven excellence in suitable conditions in Auckland. A selection of these plants will provide flowers any time from autumn to late summer, and do not get petal blight.

5
Camellia sasanqua
x fraterna 'Yoimachi'

- fragrant flowers
- vigorous upright habit

6
Camellia transnokoensis

- upright habit
- fragrant flowers

7
Camellia transnokoensis
hybrid 'Transpink'

- winter to spring flowering

8
Camellia x pitardii
hybrid 'Adorable'

- compact upright habit

Recipe for success:

- Select a full sun site for planting
- All plants prefer free draining soil
- Recommended planting time is autumn
- After planting, apply organic mulch
- Apply general fertiliser each spring, especially when young
- Prune plants after flowering
