

# Best Climbers

for Auckland

1

**Puawhananga**  
*Clematis paniculata*

- spring flowering
- separate male and female plants

2

**Muehlenbeckia complexa**

- inconspicuous fragrant flowers
- responds well to clipping

3

**Pandorea jasminoides**

- various flower colours
- summer flowering

4

**Petrea volubilis**

- spring to summer flowering

These Star Performers are plants of proven excellence in suitable conditions in Auckland. These climbers can be used to scramble and soften fences and other garden structures.

### Flame vine

*Pyrostegia venusta*

- bright winter colour

### Three Kings vine

*Tecomanthe speciosa*

- tropical vine
- frost tender

### Trachelospermum *asiaticum*

- less vigorous than *T. jasminoides*
- fragrant summer flowers

### Star jasmine

*Trachelospermum  
jasminoides*

- fragrant summer flowers
- also suitable ground cover

---

## Recipe for success:

- Select a full sun site for planting
- Most plants prefer free draining soil
- Recommended planting time is autumn
- Most need tying to support or weaving through trellis
- Prune after flowering to control size
- Apply organic mulch after planting

For detailed plant information, visit the Garden Advice section of our website.
